Athletic Code of Conduct

Participation on a school athletic team is a privilege. You are representing our school and are our ambassadors to other schools and officials. You are expected to display good sportsmanship and play according to the rules.

Students who fail to comply with school policies in regard to academics and behavior can expect consequences that will restrict their participation on a school team.

TRYOUTS:

In order to try out for a team, a student must fill out an athletics approval form to be signed by the dean demonstrating they are in good standings (academically and in regard to behavior). Additionally, the family must be up to date with tuition payments to be considered for any sports teams.

Any student who has served a detention needs to obtain clearance from the dean before attending a tryout. Failure to notify teachers and/or the dean of intent to try out may jeopardize participating on a team. If a student is currently failing any subject, he/she may not try out for a team sport.

Also, if a student has served a suspension in the trimester of tryout, he/she may try out at the discretion of the principal.

DURING THE SEASON:

Unacceptable Behavior

Any student receiving unacceptable/failing grades may be suspended from the activity until such time that it is determined that the student is working to his/her potential. During this suspension the student may not attend practices and may not play in any games.

If a student receives a DETENTION/ISS during the season he/she will serve a 1 game suspension. The suspension will be served at the next available game. That student **MUST** attend the game and sit on the bench.

If a student serves 3 academic detentions for missed homework, that student may not start that game. He/she may come off the bench. Suspension time: Volleyball: One Set, Basketball/Lacrosse/Soccer: First Quarter, Baseball/Softball: First Two Innings, Cross-Country: Not Racing. If a student accumulates 5 academic detentions for missed homework, that student will serve a 1 game suspension at the next available game.

Parents

As parents, guardians, supporters of student athletes at Long Beach Catholic, not only do the students represent the Long Beach School while participating in sports, so do their supporters.

Any parent/guardian/supporter of Long Beach Catholic sports who misrepresents the school by acting in a way that contradicts the school's mission, may be asked to leave the game/sporting event. If the behavior continues, they may be asked to not attend any future Long Beach Catholic School sporting event.

This includes, but is not limited to, arguing with the referees/umpires, the league (CMSAA/Spirit), coaches, players, administration and/or athletic director in any public forum (be it at an event or social media).

If supporters of Long Beach Catholic School Sports ever have a disagreement, they can always set up a meeting with the Administration and/or Athletic Director.
